Interquartz has been a trusted brand to the hotel and hospitality industry for over 25 years.

The Voyager hotel and hospitality range reflects the core attributes present with all Interquartz products. Style, practicality, durability, reliability - backed by a substantial 10 year warranty. Designed to withstand the rigours of the hospitality industry.

Quality counts

Interquartz' quality commitment is second to none. Its deserved reputation reflects a refusal to cut corners in terms of component and manufacturing quality. Interquartz Voyager telephones are subjected to rigorous ongoing quality control testing. They comfortably exceed all quality standard requirements.

Customisation - we go the extra mile

Variants in colour and specification accompany branding and personalisation options to ensure that your Voyager phones match your corporate image.

Worldwide coverage

Ongoing 'review and resource' assessment of the needs of the hotel industry goes some way to explaining the worldwide popularity of Interquartz phones, pride of place in the receptions, guest rooms and suites of some of the world's finest hotels.
